**IMPORTANT QUESTIONS & ANSWERS**

**What am I responsible for?**

As a homeowner, you are responsible for the exterior water service line from the water main to your home.

**Does my homeowners insurance cover this?**

Most basic homeowners insurance policies do not cover repair or replacement due to normal wear and tear of the exterior water service line.

**Who is eligible for coverage?**

An owner of both a residential single structure permanently secured to the ground and the land it is located on may be eligible for coverage. You are not eligible if your property is used for commercial purposes; you know of any current problems with your exterior water service line before enrollment; or your entire exterior water service line is shared with a 3rd party or covered by a homeowners' association or the like. In IA, properties with more than 4 dwelling units are not eligible.

**What should I know about this coverage?**

*What's covered:* Coverage provides, up to the applicable benefit limit, to repair or replace an exterior water service line for which you have sole responsibility, from your utility's responsibility or external wall of your well casing to the water meter or main shut-off valve inside your home that is damaged due to normal wear and tear, not accident or negligence.

*Not covered:* Branch lines, frozen lines, and damage from accidents, negligence or otherwise caused by you, others or unusual circumstances. Additional exclusions apply. See full Terms and Conditions with complete coverage and exclusion details prior to enrolling by calling 1-833-805-6754 or going to www.PlansMUDomaha.com. Disputes resolved by arbitration, without class action or jury trial, unless otherwise stated in your full Terms and Conditions.

**When can I make a service call?**

Your plan starts the day your enrollment is processed. There is an initial 30-day waiting period before you can make a service call, providing 11 months of coverage during the first year. Upon renewal/reactivation (if applicable), there is no waiting period.

**What is the cancellation policy?**

Cancel any time by calling HomeServe at 1-833-805-6754. If you cancel within 30 days of your start date, you will get a full refund (less claims paid, where applicable). Cancellations after the first 30 days will result in a pro-rata refund (less claims paid, where applicable).

**What is the term of my service agreement?**

The plan is annual. Unless you cancel, your plan automatically renews annually at the then-current renewal price with your same payment terms.

**What is E-Z Pay?**

E-Z Pay is a paperless and stress-free way to pay for your coverage. Payments are automatically debited from the bank/checking account of your choice as your payment becomes due, at no additional cost.

**Who is HomeServe?**

HomeServe is an independent company, separate from Metropolitan Utilities District. If you would prefer not to receive solicitations from HomeServe, please call 1-833-805-6754.
