Re: Water Line Information for <<Serv_Address1_XXXXXX>>

<<Sample Sample_XXXXXXX>>,

The original water line buried underground on your property can deteriorate over time. You are currently not enrolled in Exterior Water Service Line Coverage from HomeServe. Metropolitan Utilities District is working with HomeServe to offer protection for your water service line.

Because you own this line, you are responsible for repairs in the event of a sudden breakdown.

We are writing to you to provide you with an opportunity to accept protection against the costs of covered repairs if this line breaks down. The exterior water service line on your property is primarily affected by aging and normal wear and tear. **If this line requires replacement, it may cost you thousands of dollars.**

Metropolitan Utilities District Customer Benefit Review:

Homeowner: <<Sample Sample_XXXXXXX>>
 Location: <<Serv_Address1_XXXXXXX>>
 <<Serv_City_XXX, Serv_State, Serv_ZIP>>
 Benefit Amount: Up to \$10,000 per service call with multiple calls annually for covered repairs
 30-day waiting period includes a money-back guarantee

Without this *optional* protection, homeowners may be at risk for expensive water line repair costs. For just \$4.49 per month, eligible homeowners can take action to help prevent the unexpected burden of high repair bills for aging water lines.

Signature Required For Processing.

Please respond today by signing, completing and returning the attached Acceptance Form to help protect your finances from the covered cost to repair or replace your water line. Or call 1-833-805-6754. **For fastest processing of your coverage, visit www.PlansMUDomaha.com and enter Promo Code: MUDWSL.**

KNOW YOUR RESPONSIBILITY

As a homeowner, you are responsible for the water service line on your property, and you will have to arrange and pay for any necessary repairs. This illustration shows the location of the water service line on your property. Also shown are repairs that are commonly performed on this line and how much licensed and insured plumbers would typically charge.

Many homeowners do not know that basic homeowners insurance typically only covers things like property damage to your home, but not damage due to normal wear and tear to your water service line. You are not covered with Exterior Water Service Line Coverage in the event of a breakdown on your property.

†National average repair costs as of June 2020. No charge for covered repairs up to your service call benefit amount.

Please complete and return in the postage-paid envelope

In IA, properties with more than 4 dwelling units are not eligible. Benefit Details: Coverage provides, up to the applicable benefit limit, to repair or replace an exterior water service line for which you have sole responsibility, from your utility's responsibility or external wall of your well casing to the water meter or main shut-off valve inside your home that is damaged due to normal wear and tear, not accident or negligence. Disputes resolved by arbitration, without class action or jury trial, unless otherwise stated in your full Terms and Conditions. Making a Service Call: Your plan starts the day your enrollment is processed. There is an initial 30-day waiting period before you can make a service call, providing 11 months of coverage during the first year. Upon renewal/reactivation (if applicable), there is no waiting period. Cancellation: Cancel any time by calling HomeServe at 1-833-805-6754. If you cancel within 30 days of your start date, you will get a full refund (less claims paid, where applicable). Cancellations after the first 30 days will result in a pro-rata refund (less claims paid, where applicable). Renewal: The plan is annual. Unless you cancel, your plan automatically renews annually at the then-current renewal price with your same payment terms. See full Terms and Conditions with complete coverage and exclusion details prior to enrolling by calling 1-833-805-6754 or going to www.PlansMUDomaha.com. HomeServe is an independent company, separate from Metropolitan Utilities District. If you would prefer not to receive solicitations from HomeServe, please call 1-833-805-6754.
